Valerie - Here is the update for the EPA Seattle Office. Judy Smith is in the EPA Oregon Office, so I left the info blank since I'm hoping Chip and Eric updated that.

EPA/Trustee documents and  
distribution

PH Managers -

At the 11/14 Portland Harbor Managers Meeting, I said I would send around a distribution list to you for circulation among the TCT for updates and any changes. Attached is that distribution list. Please have your team review it and see if anyone should be added or removed; also consider the format of documents - e.g., Rose has indicated that she only wants electronic versions and that the hard copy should go to Ridolfi.

The second tab in the file is the full Agency/Tribes contact list which I inherited a long time ago...I've made updates as I've been made aware of changes, but I think some of the people on this list are maybe long gone. If folks could look over this as well, that would be helpful.

Thanks  
Valerie
